

## HARD ROAD THEATRE CLUB

with perks like Season Tickets, Concession Vouchers, First Entry, Backstage Experiences, and More!

It's been our privilege to provide live, high-quality theatre entertainment to the greater Highland area for over 20 years! We've done some great things in the community over the years (including refinishing and resurfacing the stage floor, upgrading the auditorium air conditioning, and making substantial improvements to the lighting and sound systems at the Highland Elementary) and we've put on some extraordinary productions, such as *The Lion King Jr.*, *Mary Poppins, Jr.*, and *Breaking Up Is Hard To Do*. With your generous and tax-deductible contribution, you can assist us as we strive to continue to bring great theatre to this area for generations to come.
